9	Chairman's Report			
	FCCT – Just before Christmas three members were out looking at areas of ground that are not on titles, working on area from hairdressers to turning point to as part of an ongoing process to try and create a map of trust land with or without structures built by residents.			
	Bellevue Terrace - ground may be owned by trust, solicitor looking into ownership and will pay for titles to check and make a legal decision on how it affects the trust. It was clarified that signs on a private road eg "no turning" have no legal standing			
	Pier Ownership – was clearly owned by FCCT, there was a change in title which mistakenly makes it look like MPA own it, but MPA agree they don't. Will require solicitor to clear this up.			
	There's a join in the pier at Nicholl's Knuckle, David Cameron may have a photo to show where the old pier stopped. Dale Watson has a picture G Newton can take a photo of.			
	(Larger buses using the pier causing issues, damaging vehicles. Scottish Water commandeering pier with no notice so buses and fisherman can't use it. If FCCT owned potential to be claiming rent from Scottish Water)			
	Outstanding land sales are still being processed by solicitor.			
10	Action Items from previous minutes			
a)	Emma Falconer – Anti Social Behaviour Strategy			
	M Fletcher has emailed to reschedule attendance			
b)	Archaeological dig at Old Public Lavatory			
	Still planning to do this in spring, we have an Archaeologist happy to do this. Members of the public will be welcome to come along and join in. There has been murmurs that someone owns the site. G Newton will get title for the building this week	07/01/25	G Newton

15	A.O.C.B.			
a)	Pebble Wall			
	As seen on Facebook, members of the public are disappointed to see most of the pebbles have gone. Ross Christie (Roofing) has kindly offered to cement pebbles free of charge as a community project more securely should we decide to re-do this project. As most pebbles are lost we would need to do a new call for painted pebbles.	07/01/25		
	Agreed first step is speak to school to see if the pupils would be interested			
b)	Rat Infestation – by sheds on low road			
	D Pullar has received complaints on low road about rat infestation, a large amount of rats being seen in broad daylight. Bird feeders will not be helping. Residents in Bellevue Terrace & Beacon Terrace also complaining of rats.	07/01/25	Cllr Duff
